TESTIMONIALS

Don't take our word for it! See what our lovely families say about us...

"Our Daughter has a great time, everyday she has come home wanting to go back again."

Matt Evans, May 2025

The international nature of the camp, with kids across the world (my children are Australians living in California USA, and travel across Europe for 3 months each summer) was a great experience ... They came home every day very

excited to tell me all the activities and games they played and new friends they made

and they were very happy to be dropped off each morning and ran into the gymnasium without a second glance back after every check-in. The camp leaders were very kind and everything was really well structured and well organised." Sarah Lee August 2025

My daughter who is 6. Loves this camp. She always has so many things to tell me about her day.

She gets to go swimming twice a week which is such a bonus compared to other camps. The structure of the day is great.

She never gets bored.

The opening hours are great too. Would highly recommend St Helen's Camp Beaumont."

Fran Allsop, August 2025

A camp which cares, excites and supports children! I am so happy with my child's experience at camp Beaumont.

He went from running away, to running into camp

in one day. Everyone there is warm, caring, well-trained, equipped and fun! I want to go there! The activities are varied, the setting is beautiful and I can go to work knowing that my child will be cared for, learn and express themselves in a safe and fun environment! Mouchira El-Sahn August 2025

We love St Olave's! Such a fab camp. It is great that there are

so many returning families – shows you are doing something right!

This also means the children often find a friend they have previously made at camp, which is really lovely for them. The staff remember children's names camp after camp and you can really tell that they care." AR August 2025

"A very lovely camp! My son loved swimming, meals and all the activities. Not too fast paced and well organised activities. My son also said all the staff are lovely.

We've booked for summer already.

Zee, April 2025
